Points to Consider

TABOR/ Excess State Revenues Impact

The general appropriations bill for FY 2017-18 has not yet been introduced. This bill is projected to increase cash fund revenues by \$35,459 for FY 2017-18, which would increase the amount required to be refunded under TABOR based on the most recent revenue forecasts. As TABOR refunds are paid from the General Fund, this bill would reduce the amount of General Fund available for other purposes.
